

Warranty

Siomar Battery Industries will at its sole discretion warrant to the original customer that if any part of the Southern Aurora battery and cap lamp assembly is found to be defective in material or workmanship such defective part will be repaired or replaced free of charge. This warranty is valid for a period of 13 months from the date code shown inside the battery lid (the manufacture date).

The date code is in the following format:

605

Year number: eg 6 = 2006

Week number: eg 05 = week 5

Batteries are to be returned to Siomar at the customer's expense and if found to be defective will be returned to the customer at the expense of Siomar.

This warranty specifically excludes wear items subject to (but not limited to) periodic replacement such as globe, fuse, glass lens, cable and battery casing.

This warranty is void if at its sole discretion Siomar determines that the problem is the result of abuse or tampering with of the product, or that the product has not been stored or used in accordance with instructions, or if the serial number or date code have been removed from the product.

The above warranty is the only warranty and remedy provided by Siomar. The manufacturer disclaims all implied warranties of merchantability and fitness and assumes no liability for consequential or incidental losses or damages of any kind. The buyer by acceptance of the product will assume all liability for the consequences of its own use or misuse of the product and that of its employees and contractors.
